Leyla Mammadova

Senior Full-Stack Developer & Coding Instructor

leyla.mammadova@example.com | +994 50 000 00 00 | Baku, Azerbaijan

Summary

Full-stack JavaScript developer with 7 years of professional software development experience building React and Node.js applications. Passionate about teaching: I have taught web development to more than 120 bootcamp students and mentored junior developers.

Experience

Full-Stack Developer — TechNova LLC, Baku

Mar 2021 – Present

• Built and maintained React and TypeScript front ends for a logistics platform used by 40,000 users.

• Designed REST APIs with Node.js and Express backed by PostgreSQL.

• Mentored 4 junior developers through code reviews and pair programming.

• Introduced Jest unit testing and Docker-based deployments on AWS.

Part-time JavaScript Instructor — CodeStart Bootcamp, Baku

Sep 2022 – Present

• Taught JavaScript, React and Node.js evening courses to cohorts of 20 students.

• Designed curriculum, weekly workshops and hands-on project assessments.

• Explained complex technical topics in Azerbaijani and English.

Frontend Developer — WebStudio, Baku

Jan 2019 – Feb 2021

• Developed responsive React and JavaScript web applications with HTML and CSS.

• Collaborated with designers and backend engineers in an agile team.
